

CALL FOR PRESENTATIONS

STUDENTS AND PROFESSIONALS

Missouri Psychological Association Conference | June 7-8 | Webster University

3 MINUTES. 3 SLIDES. HOT OFF THE PRESS.

Do you have data to summarize and share with Missouri Psychologists? Want to share a recent research article that you think Missouri psychologists would appreciate? Consider submitting your proposal for Hot Off the Press!

3-minute highlights: briefly synthesize the research and offer a synopsis of the primary findings

- include an overview of the problem (& relevance for clinical practice by psychologists)
- summarize the main research findings & implications
- include the original article citation for reference
- incorporate other citations for suggested reading, if appropriate
- use only 1-3 slides

FAQs

- Who is eligible? Psychology interns, undergraduates, graduate students, postdocs, and psychologists
- What kind of data can be presented? Original research results, research proposals, or recent journal article summary (using a research study published in the past 12 months).
- What is required? A 500 word summary, with the article citation
